Re: Abatement of NOV #MN-2015-60-2, Tar Sands Holdings II, LLC, Asphalt Ridge 2,
M/47/0032

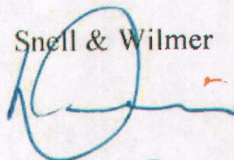

Dear Paul:

On behalf of Tar Sands Holdings II, LLC (TSHII), we appreciate the Division's willingness to grant an extension in the abatement period for the NOV until August 1, 2015. In response to the NOV, TSHII has engaged CIVCO to prepare a storm water run off analysis and to make recommendations regarding measures to mitigate erosion and sedimentation identified by the NOV. Once the Division has approved these measures, TSHII will proceed with the abatement.

Thanks you're your consideration of this information. Please let me know if you have questions

Very truly yours,

Snell & Wilmer
